Dear Sir:

In reply to your favour of July 31st, I am enclosing a list of our monographs, any of which we should be glad to send you at the price mentioned on this list, but I might suggest that by becoming an Associate Member of this Society, you would receive all its publications issued during the year, together with a copy of its annual Proceedings. Membership dues are but Five Dollars, and you will readily see that you would benefit greatly by becoming a member, unless you desire only certain of the monographs; in which case, kindly indicate on the enclosed list and same will be forwarded to you.

However, in the event of your deciding to make application for membership, I am enclosing an application card which I should be glad to have you sign and return to me at your early convenience.

Very truly yours,

Secretary

I would like to become a member of the A. U. A.  
But I cannot find a member to propose me.  
Could you help me in any way? Y<sup>ours truly</sup>

Dear Sir:

Thank you for your letter of August 8th, and for the accompanying card which you return. This will be presented at our next Council meeting which, however, does not take place until September, after which I will communicate to you its action.

The monographs issued by our Society during the present year will be sent to you as soon as the Council enrolls you as a member. Those for last year, however, you would have to purchase. No.2 is out of print but we can furnish such of the others as you desire at the prices indicated on the list which you found enclosed in my previous letter.

I note your desire to become a member of the A.N.A. and I can arrange for this, and will do so at an early date and then write you again.

Very truly yours,

Secretary

Dear Sir:-

I have the honor to inform you that at the last meeting of the Council you were unanimously elected an Associate of The American Numismatic Society upon the nomination of Sydney P. Noe.

In order to render better service to our members we would deem it a favor if you would let us know whether you collect coins, medals, decorations, etc., and whether you specialize in any of these.

Should you visit our Museum at any time, if you will make yourself know, it will give us great pleasure to welcome you personally and to place at your disposal, in a way which we cannot do for our general visitors, any portion of our collection in which you may be especially interested.

Yours very respectfully,

President.

December 5th, 1922.

Mr. Ralph F. Carp,  
Pana, Illinois.

Dear Sir:-

Thank you for filling out the card telling us what particular branch of numismatics you are interested in.

As regards your question as to whether you get a receipt for dues paid, I would advise that upon the payment of annual dues, receipts are immediately sent to our members. If I am to understand that you have sent us a check for your 1922 dues, I regret to say that we have never received it, and perhaps it would be well for you to stop payment at the bank. Our records show that you were notified of your election as a member on September 29th, and the above mentioned card is the first communication we have received from you since that time.

Very truly yours,

Acting Secretary.
